

Pom Pom Bat Instructions

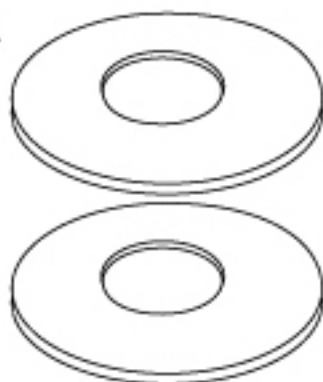

Make two rings cut from cereal packet card.

1.

Place the two circles together and wind the yarn as evenly as possible around the frame and through the centre. Cover the ring so no cardboard is showing. Take your time and use up all the wool.

2.

3.

Take your bat wings and insert it into the centre of the frame. This is tricky, but if you roll the plastic wings slightly you can ease it through the hole. Take a pair of sharp scissors and cut through all layers of yarn between the two edges of cardboard. Ease the two layers of cardboard apart slightly, double a long piece of yarn (this will be used to display the bat) and tie between the two circles. Make sure you tie it at the top. Now gently pull away the two cardboard discs.

Fluff up the Pom Pom. Peel off double sided sticky on back of head, and place on body.

4.

5.
